Management Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Alliance as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Board of Directors Mayor's Alliance for NYC's Animals, Inc. New York, New York

Report on Summarized Comparative Information

In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters - Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. NOTES TO FINANCIAL STATEMENTS

December 31, 2014

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION

The Mayor's Alliance for NYC's Animals, Inc. (the "*Alliance*"), a 501(c)(3) non-profit charity, is the sole umbrella organization for animal welfare in New York City. Since 2003, the Alliance has been working with a coalition of 150+ rescue groups and shelters to find homes for thousands of New York City's dogs and cats. The Alliance's goal is to transform New York City into a no-kill community by 2015, where no dogs or cats of reasonable health or temperament are killed simply because they do not have homes.

While the Alliance works collaboratively with the City of New York, it is a 501(c)(3) charity and does not receive any government funding, nor is it a city agency.

ACCOUNTING ESTIMATES

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

CONCENTRATION OF CREDIT RISK

The Alliance occasionally maintains deposits in excess of federally insured limits. Accounting Standards Codification *("ASC")* 825, *"Financial Instruments"* identifies these items as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by monitoring the financial institutions in which deposits are made.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include \$600,493 and \$677,928 of money market funds as of December 31, 2014 and 2013, respectively.

FIXED ASSETS

Fixed assets are recorded at cost less accumulated depreciation. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets, generally three to seven years.

CONTRIBUTIONS

To ensure observation of limitations and restrictions placed on resources available to the Alliance, gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are classified to unrestricted net assets and reported in the statement of activities as "net assets released from restrictions."

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2014

NET ASSETS

Net assets are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Alliance are classified and reported as follows:

Unrestricted – Net assets that are not subject to donor-imposed stipulations and that may be expendable for any purpose in performing the primary mission of the Alliance.

Temporarily Restricted – Net assets that are subject to donor-imposed stipulations.

ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services.

TAXES

The Alliance is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). The Internal Revenue Service has classified the Alliance as an organization that is not a private foundation as defined in Section 509(a) of the Internal Revenue Code.

Management has reviewed the tax positions for each of the open tax years (2011 - 2013) or expected to be taken in the Alliance's 2014 tax return and has concluded that there are no significant uncertain tax positions that would require recognition in the financial statements.

PRIOR YEAR INFORMATION

The financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Alliance's audited financial statements for the year ended December 31, 2013, from which the summarized information was derived.
