#### REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors Mayor's Alliance for NYC's Animals, Inc. New York, New York

### **Opinion**

We have audited the accompanying financial statements of Mayor's Alliance for NYC's Animals, Inc. (the "Alliance") (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Mayor's Alliance for NYC's Animals, Inc. as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Alliance and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Board of Directors Mayor's Alliance for NYC's Animals, Inc. New York, New York

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Alliance's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### Report of Summarized Comparative Information

We have previously audited the Alliance's 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements, in our report dated October 16, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2023

#### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **ORGANIZATION**

The Mayor's Alliance for NYC's Animals, Inc. (the "Alliance"), a 501(c)(3) non-profit charity, is the sole umbrella organization for animal welfare in New York City. Since 2003, the Alliance has been working with a coalition of 150+ rescue groups and shelters to find homes for thousands of New York City's dogs and cats. Our original goal was to transform New York City into a no-kill community by 2015, where no dogs or cats of reasonable health or temperament are killed simply because they do not have homes. When we achieved that goal in 2015, our challenge was to maintain that achievement going forward.

Having accomplished our mission to transform New York City into a no-kill city and to help our shelter and rescue partners increase their capacity in order to maintain the successes we achieved together over the past 17 years, we reevaluated our programming to reflect the realities of the evolving landscape of animal welfare in New York City. In 2019, we thoughtfully and carefully transitioned our key programming to other nonprofit partners who possess the capacity, both fiscally and organizationally, to take the programs to the next level. Going forward, the Alliance serves as a source of information for pet owners seeking services and resources to care for their pets, and for anyone looking to help improve the lives of NYC's animals. Our goal is to help New Yorkers find the information and resources they need to give their animal companions and all New York City animals their best lives possible. Through our website, blog, informational phone line, and direct communication with individuals and organizations, we provide information to help people gain access to services, resources, and guidance related to pet care and other pet-related issues.

The Alliance is a proud partner of NYC Emergency Management's Animal Planning Task Force, the NYC Lights Out Coalition, and the United Spay Alliance. We also work closely with the NYC Mayor's Office of Animal Welfare on matters concerning New York City's animals.

While the Alliance works collaboratively with the City of New York, it is a 501(c)(3) charity and does not receive any government funding, nor is it a city agency.

#### **ACCOUNTING ESTIMATES**

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

#### CONCENTRATION OF CREDIT RISK

The Alliance occasionally maintains deposits in excess of federally insured limits. Accounting Standards Codification ("ASC") 825, "Financial Instruments" identifies these items as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by monitoring the financial institutions in which deposits are made.

#### REVENUE RECOGNITION

The Alliance recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and right of return – are not recognized until the condition on which they depend have been met. Unconditional contributions are classified as without donor restrictions unless there are donor stipulations that limit the use of the donated assets.

### NOTES TO FINANCIAL STATEMENTS – (Continued)

#### December 31, 2023

#### **NET ASSETS**

Net assets are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Alliance are classified and reported as follows:

**Net assets without donor restrictions** – Net assets that are not subject to donor-imposed stipulations and that may be expendable for any purpose in performing the primary mission of the Alliance.

**Net assets with donor restrictions** – Net assets that are subject to donor-imposed stipulations.

There were no net assets with donor restrictions as of December 31, 2023 and 2022.

#### FUNCTIONAL ALLOCATION OF EXPENSES

The expenses for staff personnel, facilities and related costs incurred in the operations for the Alliance are allocated to program, general administration, and fund-raising activities based on the level of effort in the respective categories.

#### **TAXES**

The Alliance is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). The Internal Revenue Service has classified the Alliance as an organization that is not a private foundation as defined in Section 509(a) of the Internal Revenue Code.

Management has reviewed the tax positions for each of the open tax years (2020 - 2022) or expected to be taken in the Alliance's 2023 tax return and has concluded that there are no significant uncertain tax positions that would require recognition in the financial statements.

#### PRIOR YEAR INFORMATION

The financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Alliance's audited financial statements for the year ended December 31, 2022, from which the summarized information was derived.

### (2) RETIREMENT PLAN

The Alliance had a qualified 403(b) defined contribution retirement plan covering all full-time employees. Under the plan, employees could contribute up to the IRS elective deferral limit. The plan provided for discretionary contributions by the Alliance as a percentage of the elective deferrals. The Alliance contributed \$1,800 on behalf of its employees in 2022. The Alliance elected to terminate the plan effective October 31, 2022.

### NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2023

### (3) FINANCIAL ASSETS AND LIQUIDITY RESOURCES

The following table reflects the Alliance's financial assets as of December 31, 2023 and 2022, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of contractual restrictions or internal Board designations:

 Financial Assets
 2023
 2022

 Cash and cash equivalents
 \$ 55,265
 \$ 110,271

As part of the Alliance's liquidity-management plan, it structures its financial assets to be available as its obligations come due.

### (4) SUBSEQUENT EVENTS

Subsequent events after the balance sheet date through the date that the financial statements were available for issuance, November 11, 2024, have been evaluated in the preparation of the financial statements.
